Dates  
Occupation or position held

July 2014 – June 2015  
Senior Expert – Project Manager

Type of business or sector	Policy and Programming; Leadership Development; Management.
Main activities and responsibilities	Project Manager of the Technical Assistance to the Lazio Region's Rural Development Program.
Main achievements	
Name and address of employer	ARSIAL on behalf of Lazio Region (Agricultural Department)
Dates	December 2013 – March 2015
Occupation or position held	Senior Advisor of the EU Presidency Delegation
Type of business or sector	Policy advising, International Conventions Management, Biodiversity.
Main activities and responsibilities	Support to the Italian Ministry for Environment and Territory and Sea to the preparation and management of the Italian Presidency of the Council of the European Union on: Convention on Biological Diversity (Nagoya Protocol, Cartagena protocol, Agricultural Biodiversity Program) Bern Convention, UNEP/EUROBATS Agreement, for the following issues: Resource Mobilisation; Financial mechanism (GEF); Traditional Knowledge; Sustainable Development Goals; Climate change & biodiversity (REDD+ safeguards; Ecosystem conservation & restoration); IPBES.
Main achievements	Participation the Ministry Working Groups for the preparation and management of the Presidency Semester on the selected international Issues; support to the planning activities of the Working Group; support to the documents elaboration and management for the issues related to the competence subjects; participation to the Italian delegation at the International Meetings during the contracted period.
Name and address of employer	Sogesid S.p.a. on behalf of the Italian Ministry for Environment and Territory and Sea
Dates	February 2010 – January 2013
Occupation or position held	Senior Advisor
Type of business or sector	Policy and Programming; Planning; Forestry; Conflict management; Environmental Economics
Occupation or position held	Consultant of the Roma Province (Italy) - Agricultural Department
Main activities and responsibilities	Support to the strategic implementation of the local Policies: afforestation design advice, GHG's emission reduction estimate; management of participatory forest planning; analyses of private/public forestry utilization plans and advice for their sustainability; support to the design and organization of an experimental voluntary carbon market development; estimate of public goods (woods, rural landscapes, wetlands) to implement Pay for Ecosystem Services schemes.
Main achievements	1) Creation of a local (province) carbon market based on forestry sustainable management compensation credits; 2) definition of the non-market and market monetary components of the Total Economic Value of three main natural systems (woodlands, wetlands, rural landscape "Agro-Romano") to create an institutional benchmarks system for a Pay for Ecosystem Services scheme, environmental damage estimates, bottom up local negotiations (land use planning and change, etc.); 3) governance of the start up and implementation of participative planning of natural resources (forests), managing conflicts among actors (parks and institution bodies, forestry owners, local stakeholders).
Name and address of employer	Capitale Lavoro S.p.a. on behalf of Province of Rome
Dates	July-September 2010
Occupation or position held	Senior Consultant
Type of business or sector	Program evaluation
Main activities and responsibilities	Comparative analysis of operating Rural Development Programs (Marche, Toscana, Liguria, Calabria Regions) and compulsory EU evaluation schemes to select the best set of new and not ruled evaluation themes to be deepened, based on the Regions characteristics and requirements.
Name and address of employer	Ecosfera S.p.a., Viale Castrense, 8 - 00182 Rome (Italy)
Dates	November 2009 – October 2010
Occupation or position held	Senior Expert
Type of business or sector	Policy and Programming; Leadership Development; Management
Occupation or position held	Senior Expert – Technical Assistance to the Lazio Region's Rural Development Program
Main activities and responsibilities	Support to the best implementation of the Rural Development Program: integrated project team organization and management; Integrated Project analyses / evaluation design and implementation; support to rural development calls management (analyses, selection, valuation); inquiry optimisations, support to policy implementation (documents analyses, deepens/advice on demand).
Main achievements	1) Design of the valuation methodology, software tool and procedure of the Rural Program integrated projects (territorial, bio-energy and agri-food chains); 2) staff capacity building; 3) training of the staff on the EU programming and the technical assistance subjects.
Name and address of employer	ARSIAL on behalf of Lazio Region (Agricultural Department)
Dates	November 2008 – March 2010

Occupation or position held	Lazio Region Advisor (Italy) for the Rural Development Policy implementation
Type of business or sector	Policy and Programming; Forestry and Rural Development; Governance; Planning, Bio energy, Conflict Management
Main activities and responsibilities	Support to and implementation of the Integrated Territorial Projects: design of the call and valuation structure; support to the governance of the process; facilitation to local agreements among public bodies and economic actors (energy, livestock, agricultural and forestry sectors). Assistance to the bio energies implementation at the basin level (conflict management, agreements facilitation, scientific analysis, planning management); support to the relationships management of the Regional Management Authority with the EU, National and Local Administration bodies for the Rural Development Plan implementation.
Main achievements	1) Implementing the capacity building of the Public Administration, mostly toward a more participative and transparent management of the rural development resources; 3) implementing the Public Administration vision of agriculture, rural development and bioenergy; 3) incrementing the Administration call characteristics toward EU standards (call structure and evaluation system) of complex demands (integrated projects); 4) implementing the rural vs urban linkage for sustainable bio-energy use.
Name and address of employer	Lazio Region – Agricultural Department
Dates	Agust 2008 – November 2008
Occupation or position held	Proposal Evaluator
Type of business or sector	Evaluation of proposals submitted under the Intelligent Energy - Europe Programme, Call for proposals CIP-IEE 2008
Main activities and responsibilities	Valuing proposals and formulating recommendation; discuss personal outputs within valuator working groups to obtain a shared proposal ranking.
Main achievements	
Name and address of employer	Executive Agency for Competitiveness and Innovation (EACI)
Dates	April 2008 – August 2008
Occupation or position held	Senior Expert
Type of business or sector	Sustainable development.
Main activities and responsibilities	Contributing to the draft an final version of the CNEL International Policy Commission
Main achievements	Contribution to the Document “Development with equity and environmental responsibility” of the Italian Consiglio Nazionale dell’Economia e del Lavoro to the International Association of National Economic and Social Councils
Name and address of employer	Consiglio Nazionale dell’Economia e del Lavoro (CNEL)
Dates	July 2001- June 2008
Occupation or position held	Italian Senior Expert (EU programming) - sustainable development
Type of business or sector	Policy and Programming; Forestry and Rural Development; Governance; Planning, Environmental management; Teaching; Conflict Management
Main activities and responsibilities	Representative of the National Environmental Authority at the Monitoring Committee of the Research EU Operational Program and the Basilicata Region EU Operational Program; Technical assistance on the integration of the environmental dimension in the UE structural funds programming, in particular to the Puglia, Campania and Sardegna Regions (e.g. Calls and Project structure and characteristics, spent evaluation and reporting); Since 2004 technical assistance for the Italian Environmental Ministry (Directorate General "environment and research") on the rural development issues and representative of the Ministry at the Agri-environment Working Group at the EC Directorate General Environment; Coordinator of the Working Group for the ex ante Valuation of the Research National Operational Program; Coordinator of the Working Group for the Strategic Environmental Assessment of the Regional Rural Development Programs; Since 2005: co-operation with the Ministry of Agricultural Policy for the drafting of the 2007-2013 Rural Development National Plan; technical assistance to the Sardegna Region on rural development and sustainable forestry issues (forestry management, PES, tourism, rural marketing); co-ordinator of the Rural Development Working Group of the National Network of Environmental Authorities; Since 2007 representative of the Sustainable Research and Development Directorate General of the Italian Ministry of the Environment in the Inter - Ministry Working Group for the Regional Landscape Master Plans drafting.
Main achievements	1) Contributing to the sustainability of the 2000-2006 UE structural funds programming (documents editing and revising, Regions operational bodies advising, etc.); 2) contributing to the concrete implementation of the environmental dimension in the Italian Operational Regional Programs calls; 3) contributing to the capacity building of the Public Administration and its Technical Assistance (during the programming period implementation); 4) contributing to the implementation in the strategic, programming and operational documents of the landscape ecology concepts and solutions; 5) contributing to deepen the ecological perspective in the landscape perceiving and planning in some National and Regional Public Administrations; 6) contributing to the pay for ecosystem services and measures integration principles consideration in the Italian 2007-2013 rural programming period.
Name and address of employer	Italian Ministry for the Environment and Territory and Sea

Dates	March 2007- September 2007
Occupation or position held	Contract Professor of Sustainable Planning
Type of business or sector	Teaching
Main activities and responsibilities	University training and tutoring
Main achievements	Implementing the sustainability vision even from the cultural perspective or in the concrete scientific principles and case studies.
Name and address of employer	Universita' Politecnica delle Marche (Italy)
Dates	August 2002- December 2007
Occupation or position held	Scientific responsible
Type of business or sector	Scientific consultancy in the public – private sector
Main activities and responsibilities	Monitoring of an experimental semi-natural wetland as a free surface water treatment system to protect the Venice Lagoon: operational management of the technical and scientific team; scientific responsibility of the results interpretation
Main achievements	1) Definition of the best site specific hydraulic and planting parameters for the restoration of semi-natural wetland treatment system to optimise their economic, ecological and social functions; 2) professional and scientific training of a junior researchers group in a real case of medium term and compete applied research project.
Name and address of employer	Nuova Domina Scarl and Protecno Srl (Italy) on behalf of: Ministero delle Infrastrutture ed i Trasporti - Magistrato alle Acque di Venezia - Consorzio Venezia Nuova (Italy)
Dates	February 1997- September 2006
Occupation or position held	Contract Professor of Landscape Ecology
Type of business or sector	Teaching
Main activities and responsibilities	University training and tutoring, applied research
Main achievements	1) Contributing to the development of landscape ecology even from the didactic point of view or from the applied research point of view; 2) tutoring of 2 PhDs thesis, 11 master's degree thesis, 3 practising.
Name and address of employer	Ca'Foscari University of Venice, Environmental Science Department (Italy)
Dates	June 2006 - December 2006
Occupation or position held	Contract Professor of "coastal landscape ecology", EU Master "Educom@Med" Integrated Coastal Areas Management in the Mediterranean" - EU-Tempus Project "Education in Coastal Management for the Mediterranean"
Type of business or sector	Teaching
Main activities and responsibilities	Master training and tutoring ( <a href="http://www.educom-med.org">http://www.educom-med.org</a> )
Main achievements	Implementing the holistic landscape ecological vision in the concrete management tasks.
Name and address of employer	Interdipartimental Centre IDEAS, Ca'Foscary University of Venice (Italy)
Dates	January 2004 - December 2004
Type of business or sector	Project management
Occupation or position held	Project manager
Main activities and responsibilities	Management of a high level international training course (environmental management and sustainability); team management in Venice, Budapest and Beijing.
Main achievements	1) Contributing to the sustainable culture development in the public administrations of Central Europe and Chinese Governments; 2) implementing the staff capacity building and the management quality standard of an international high level training.
Name and address of employer	International Venice University (in collaboration with: Chinese Academy of Social Sciences, Chinese Ministry of Technology, Regional Environmental Centre for Central and Eastern Europe)

## Work experience

### Main activities in the previous years

**See pages 13 - 15.**

## Other activities

### Congresses and workshops

Year	Title - role	Congress - workshop
2014	Senior Expert of the European Presidency Delegation	12th meeting of the Conference of the Parties to the Convention on Biological Diversity, 6 - 17 October 2014 - Pyeongchang, Republic of Korea.
2014	Senior Expert of the Italian Delegation	Eighteenth meeting of the Subsidiary Body on Scientific, Technical and Technological Advice, 23 - 28 June 2014 - Montreal, Canada.
2013	(invited expert)	Multi-stakeholder dialogue on RPE/PES' Workshop FAO HQ, Rome, 12-13 September 2013
2012	Due Diligence: nuove caratteristiche del mercato del legno (invited lecture)	La Due Diligence per il mercato del legno: aspetti normativi, tecnici e pratici a tre mesi dall'entrata in vigore del Regolamento EU 995/2010". Roma, Palazzo Valentini, 19/12/ 2012
	La carta dei beni comuni della provincia di Roma: origini e caratteristiche di uno strumento di policy (invited lecture)	La Carta dei Beni Comuni della Provincia di Roma un nuovo strumento pubblico a disposizione di Cittadini e Amministrazioni per la gestione sostenibile delle risorse territoriali. Palazzo Valentini, Roma, 24/10/2012.
2011	La stima dei beni comuni di alcuni ambiti di riferimento della Provincia di Roma	Verso una stima del valore dei servizi ambientali e dei beni comuni legati al mondo rurale. Provincia di Roma, Roma, 14 aprile 2011.
2010	La stima del valore dei beni e servizi ambientali nella gestione sostenibile del Paesaggio: casi studio in Provincia di Roma (invited lecture)	Biodiversità e servizi ecosistemici. Convegno Nazionale sulla Biodiversità. nte Parco del Gran Sasso e della Laga - Arquata del Tronto, Ascoli Piceno, 17 novembre 2010
2007	Integrazione delle politiche di sostenibilità nell'ambito delle politiche di sviluppo rurale (invited lecture)	Lotta ai cambiamenti climatici, il ruolo delle aree agroforestali. Regione Autonoma della Sardegna e Ente Foreste Sardegna, Cagliari, 27 febbraio 2007.
	Estimation of the performance of an experimental FWS wetland in the Venice Lagoon watershed (invited lecture)	International Conference: "Multifunctions of wetland systems"International Water Association, Legnaro (PD), 26-29/06/2007.
	The Total Economic Value of wetlands in a European region (poster)	International Conference: "Multifunctions of wetland systems", International Water Association, Legnaro (PD), 26-29/06/2007.
	L'impianto sperimentale di fitodepurazione realizzato dal Magistrato alle Acque di Venezia nell'alveo abbandonato del "Canale Novissimo". (invited lecture)	"Giomata di studio sulla fitodepurazione". Università degli studi di Padova - Facoltà di Ingegneria - Laboratorio di Analisi dei Sistemi Ambientali, Padova, 04/12/2006.
	Multiscale analysis of the relationship among land use cover and streams water quality in the Venice lagoon watershed (invited lecture)	IALE World Congress "25 years Landscape Ecology: Scientific Principles in Practice". Wageningen 8-12 July 2007.
	The rural policy as a tool for the natural resource management (invited lecture)	IALE World Congress "25 years Landscape Ecology: Scientific Principles in Practice". Wageningen 8-12 July 2007.
2006	(invited expert)	Expert Meeting on Landscape Management in the Mediterranean, 8 -10 January 2006, Dubrovnik (HR).
	(invited expert)	E-learning tool for Educom Postgraduate programme, 19-23 September 2006, Seville (ES).
2005	The natural resources management as a tool for the biodiversity management: the European approach (invited lecture)	Stelvio Seventy International Conference, Parco Nzionale dello Stelvio, 8-10 settembre, Rabbi (Trento)
2004	Ecological networks: the state of the art from a landscape ecology perspective in the national framework (invited lecture)	40° Corso di Cultura in Ecologia - Reti ecologiche: una chiave per la conservazione e la gestione dei paesaggi frammentati, 07 - 10 Giugno 2004 - Centro Studi per l'Ambiente Alpino dell'Università degli Studi di Padova (San Vito di Cadore, Belluno)
2003	Applied ecology and environmental design (invited lecture and)	Planning in Ecological Network -Scienze del Territorio e Scienze Naturali, verso un'integrazione nella formazione e nella ricerca, Venerdì 28 febbraio 2003, Facoltà di Scienze MM., FF. e NN. (Coppito - L'AQUILA)
	The role of the agroforestry network on the aesthetic perception of the rural landscape (presentation)	The aesthetics of agriculture: the fifth international conference on environmental aesthetics (Håme Polytechnic, Lepaa Unit, Hattula, Finland)
	Italian Delegation	Integraton in the economy in the Enlarged Europe (MIPAF, Trieste, Italia)
	Ministry Obserever	Crisi della Biodiversità e strategie di intervento (MIUR SITE, Roma, Italia)
	Ministry Obserever	Le polliche di sviluppo rurale in Europa (INEA-MIPAF, Roma, Italia)
	Italian Delegation	European strategy on climate change:options and strategies for the future (MIPAF, Firenze, Italia)
	Ministry Obserever	Progetto Paesaggio Agrario (Italia Nostra, Roma, Italia)

<i>Year</i>	<i>Title - role</i>	<i>Congress - workshop</i>
2003	Valutazione degli aspetti ambientali e paesaggistici nella pianificazione (invited lecture)	Seminario Provincia di Venezia (Venezia, Italia)
2002	La valenza ambientale delle reti ecologiche (invited lecture)	La rete ecologica della provincia di Venezia, workshop nazionale. Venezia, (IT) Dicembre 2002.
2000	Constructed wetlands for wastewater treatment in Italy: state-of-the art and obtained results (paper)	7th International Conference on Wetland Systems for Water Pollution Control. Lake Buena Vista, Florida (USA), November 2000.
1999	I progetti di reti ecologiche agroforestali per il miglioramento ecologico del paesaggio (oral presentation)	Piano e progetto nel riassetto ecologico del territorio. Università dell'Aquila, L'Aquila (ITALIA), May 1999.
	An assessment of the agroforestry-network role on the socio-economic and cultural processes in the Venice landscape (poster)	5 <sup>th</sup> World Congress, International Association for Landscape Ecology. Snowmass Village, Colorado (U.S.A.) July-August 1999.
	Connettività e reti ecologiche agroforestali (paper)	Paesaggi rurali di domani: la gestione degli ecosistemi agro-silvo-pastorali e la tutela della connettività ecologica del territorio extraurbano. A.R.P.A. Torino (ITALY), September 1999.
	Reti ecologiche agroforestali e la riqualificazione del paesaggio suburbano dell'area lagunare di Venezia. (oral presentation)	Reti e corridoi ecologici per gli interventi di conservazione e salvaguardia in ambiente urbano e suburbano. Università di Catania, Catania (ITALY), October 1999.
1998	Hedgerows and non point source pollution: field test and landscape planning (poster)	Key concepts in Landscape Ecology. Garstang (UK) September 1998.
1997	La planification des reseaux de haies dans le paysage rural: les besoins d'une approche en termes d'ecologie du paysage (oral presentation)	L'arbre en reseau. Rennes (FRANCE), September, 1997
	Planning of windbreaks and hedgerow network in rural landscapes (poster)	Landscape Ecology: things to do. Amsterdam (THE NEDERLANDS) October 1997
	Nuove soluzioni pianificatorie e modelli di gestione degli agroecosistemi di pianura in relazione alle reti ecologiche (oral presentation)	Workshop "reti ecologiche". A.N.P.A., Roma (ITALY), October 1997.
1996	Buffer strips to protect the Venice Lagoon from non-point source pollution (poster)	International Conference on Buffer Zones: Their the Processes and Potential in Water Protection. Heythrop Park (UK), August-September 1996
1994	A new approach to animal manure utilization (oral presentation)	3th Congress of the European Society of Agronomy. Padova (ITALY), September 1994
1992	Misuse of land capability in the Venetian plain (poster)	2th Congress of the European Society of Agronomy. Warwick University (UK), August 1992.
1991	La scelta di specie e varietà per il ripristino ambientale (oral presentation)	Gli agronomi ed il vivaismo. Vigonovo (ITALY), October 1991.
1990	Considerazioni sul possibile utilizzo di modellazioni nella formulazione di strategie di controllo entomologico nella Laguna di Venezia (oral presentation)	Chironomidi, Culicidi e Simulidi: aspetti sanitari ed ecologici., Venezia (ITALIA), April 1990

### Ms. and Ph.D. thesis tutoring

<i>Year</i>	<i>Title</i>	<i>University</i>
2007	"Analyses of the Venice watershed water quality" (Student: Alessandra Zuin)	Università degli studi di Venezia - Dipartimento di Scienze Ambientali - 30123 Venezia (VE) Italy
2005	"A landscape analyses of two abandoned rural areas" (Student: Tecla Soave)	Università degli studi di Venezia - Dipartimento di Scienze Ambientali - 30123 Venezia (VE) Italy
2004	Multiscale analyses of the water resources management policies (Student: Anna Rigosi)	Università degli studi di Venezia - Dipartimento di Scienze Ambientali - 30123 Venezia (VE) Italy
	Management of the tree population in an urban environment (Student: Chiarafrancesca Rigo)	Università degli studi di Venezia - Dipartimento di Scienze Ambientali - 30123 Venezia (VE) ITALIA
	Water quality management at the watershed scale using a landscape ecology approach (Student: Laura Favero)	Università degli studi di Venezia - Dipartimento di Scienze Ambientali - 30123 Venezia (VE) ITALIA
2003	The sustainable management of green urban areas (Student: Anna Brusarosco)	Università degli studi di Venezia - Dipartimento di Scienze Ambientali - 30123 Venezia (VE) ITALIA
	The sustainable management of green urban areas (Student: Marta Bortolaso)	Università degli studi di Venezia - Dipartimento di Scienze Ambientali - 30123 Venezia (VE) ITALIA
	Rural landscape and ecological networks: an analyses of emergent issues and methods (Student: Marta Bortolaso)	Università degli studi di Venezia - Dipartimento di Scienze Ambientali - 30123 Venezia (VE) ITALIA
	Impact Assessment evaluation: testing a new landscape index (Student: Francesca Marchiori)	Università degli studi di Venezia - Dipartimento di Scienze Ambientali - 30123 Venezia (VE) ITALIA
	A performance analyses of a constructed wetland (Student: Laura Astolfi)	Università degli studi di Venezia - Dipartimento di Scienze Ambientali - 30123 Venezia (VE) ITALIA
2002	"The effects of a rural landscape structure on biodiversity " (Student: Andrea Pierini)	Università degli studi di Venezia - Dipartimento di Scienze Ambientali - 30123 Venezia (VE) ITALIA
	The potentiality of phytoremediation for the treatment of the dredged sediment of the Venice Lagoon (Student: )	Università degli studi di Venezia - Dipartimento di Scienze Ambientali - 30123 Venezia (VE) ITALIA
2000	"The hedgerow plan perception in a Venician area: communication and economic benefit in a landscape amelioration project (Student: Ilda Mannino)	Università degli studi di Venezia - Dipartimento di Scienze Ambientali - 30123 Venezia (VE) ITALIA
	"Application of the Landscape Ecology principles to the Landscape Planning " (Student: Anna Bombonato)	Università degli studi di Venezia - Dipartimento di Scienze Ambientali - 30123 Venezia (VE) ITALIA

## Education and training

Dates	August 2021
Title of qualification awarded	Certificate of participation
Principal subjects/Occupational skills covered	Training course on problem solving, soft skills, motivation, stress management.
Name and type of organisation providing education and training	FPA Digital School
Level in national or international classification	Certificate of participation
Dates	Juli 2021
Title of qualification awarded	Certificate of participation
Principal subjects/Occupational skills covered	Anti-corruption course: prevention and contrast tools.
Name and type of organisation providing education and training	Integra S.r.l.
Level in national or international classification	Certificate of participation
Dates	January 2020
Title of qualification awarded	Certificate of participation
Principal subjects/Occupational skills covered	Training on occupational health and safety.
Name and type of organisation providing education and training	University of Roma Tre
Level in national or international classification	Certificate of participation
Dates	March 2019
Title of qualification awarded	Certificate of participation
Principal subjects/Occupational skills covered	Training course on project management.
Name and type of organisation providing education and training	Consilia CFO s.r.l.
Level in national or international classification	Certificate of participation
Dates	November 2012
Title of qualification awarded	Certified Chain of Custody and controlled wood expertise
Principal subjects/Occupational skills covered	Training course on FSC Chain of Custody and controlled wood standards and related documents
Name and type of organisation providing education and training	Forest Stewardship Council– EtiFor Srl
Level in national or international classification	FSC advisor
Dates	July 2001 - June 2002; July 2002- - June 2008
Title of qualification awarded	National Senior Expert, within the National Operating Program ATAS 2000-2008.
Principal subjects/Occupational skills covered	Capacity building; conflict management; project management; communication techniques; governance; EIA-ex ante valuation – SEA; EU programming and rules; project financing.
Name and type of organisation providing education and training	Formez Pubblica Amministrazione, Dipartimento della Funzione Pubblica - Presidenza del Consiglio dei Ministri, on behalf of the Italian Government
Level in national or international classification	Senior Expert
Dates	November 1990
Title of qualification awarded	Professional course certification

Principal subjects/Occupational skills covered	Landscape Conservation and management (EU funded)
Name and type of organisation providing education and training	Padua University, Padova, Italy
Level in national or international classification	EU expertise
Dates	July 1990
Title of qualification awarded	Professional course certification
Principal subjects/Occupational skills covered	Historical green spaces management (EU funded)
Name and type of organisation providing education and training	Regione del Veneto, Venice, Italy
Level in national or international classification	EU expertise
Dates	August 1988 September 1989
Title of qualification awarded	Granted fellowship
Principal subjects/Occupational skills covered	Eco-physiology of <i>Muscardinus avellanarius</i>
Name and type of organisation providing education and training	Institut de zoologie et d'écologie animale, University of Lausanne, Lausanne, Switzerland
Level in national or international classification	Research fellow
Dates	September 1981 - November 1986
Title of qualification awarded	Forestry Science Degree
Principal subjects/Occupational skills covered	Field thesis research (3 years): Ecology of <i>Glis glis</i>
Name and type of organisation providing education and training	Padua University, Padova, Italy
Level in national or international classification	Master's equivalent
Dates	September 1977 - July 1981
Title of qualification awarded	High school diploma
Principal subjects/Occupational skills covered	Scientific studies
Name and type of organisation providing education and training	Liceo Scientifico G.B. Benedetti, Venezia, Italy
Level in national or international classification	High school diploma

Memberships

(active or outstanding) International Association for Landscape Ecology, American Society of Agronomy, Society of Wetland Scientists; Agricultural Economics Society

Reviewer for

Acta Oecologica; Applied Economics incorporating Applied Financial Economics; Belgian Journal of Zoology; Environmental Conservation; International Journal of Social Economics; Journal of Integrative Environmental Sciences; Land Use Policy; Landscape and Urban Planning; Marine Pollution Bulletin; Scandinavian Journal of Forest Research; Soil Research; Vie et Milieu -Life and Environment; Wetlands; Zoology and Ecology.

Certifications, Licences

Certified Associate Professor of Rural Economics and Valuation.  
Nationally Certified Professional Forester (II session qualification, 1987).  
Licensed Professional Forester from 17.02.1989 (today n. 1848 in the roll).

Patents

Daniel Franco (1996). PLANLAND®: landscape analyses and design by mean of a new procedure based on a Landscape Ecology approach. Italy 00779284 Issued October 10, 1996

Social skills and competences

I had to develop my team working and capacity building aptitude as my project management competence during my eight years high training as national expert, my leadership capacity in my consultant co-ordinator role, and my negotiation skill in each tasks.

Organisational skills and competences

During my professional experience I had to solve organisation and budgetary problems in projects and programs related to the considered field, even from the professional or the civil servant point of view. The dimension and the complexity of the organizational problems to solve have been quite variable, and this allowed me to develop ad good adaptability to different work environments and stress rates.

Technical skills and competences

I currently have developed scientific, technical and managing competences; I deepened the EU programming and rule tools for local development, developing policy advising skills.

Computer skills and competences

I currently use statistical (STATISTICA, SPSS), office (Windows, openoffice), GIS (Mapinfo, ArcGis), website management (Drupal, SharePoint) and internet communication software.

Artistic skills and competences

I studied singing at Scuola di Musica Antica Jacopo da Bologna and I sang in the Cappella Ducale di Venezia. I am fond of tango, mountain trekking, bowling, reading poetry, novels, and history.

Other skills and competences

## Work experience

### Main activities in the previous years

Year	Client	Activity
2003		
February 2003 - April 2003	Parco Scientifico e Tecnologico di Venezia S.c.a.r.l. – via della Libertà 5-12 – 30175 Marghera (VE) (Italy)	Final landscape design of the Venice Gateway for Science and Technology
January 2003 - August 2003	ECOTEMA - VESTA S.p.a. S. Marco 45711 C, 30124 Venezia (Italy)	Advice for the best management planning of the urban green: experimental Phase
2002		
September 2001 - March 2002	Amministrazione Comunale di Venezia - Assessorato all'Ecologia Ca' Farsetti - S.Marco, 4136 Venezia (Italy)	Final design for landscape restoration and amelioration of an industrial wasted area (Malcontenta) of the Venice Municipality
June 1998 - November 2002	Protecno S.p.a. & Nuova Domina Scarl on behalf of: Ministero delle Infrastrutture ed i Trasporti - Magistrato alle Acque di Venezia -Consorzio Venezia Nuova, (Italy)	Experimental semi-natural wetland as a free surface water treatment system to protect the Venice Lagoon: preliminary and final design of the plant and the monitoring plan (excluded: earthworks, hydraulic structural parameters; automatic systems for the system hydraulic control).
2001		
August 2001- October 2001	Consorzio Venezia Ricerche - Venezia - (Italy)	Phytoremediation on dredged material of industrial channels: Project Coordinator
July 2000 - November 2001	Amministrazione Comunale di Venezia - Assessorato ai Lavori Pubblici - Ca' Farsetti - S.Marco, 4136 Venezia (Italy)	Advice to the MasterPlan of the Certosa Isle Park (Venice): development scenarios
May 1998 - April 2001	Parco Scientifico e Tecnologico di Venezia S.c.a.r.l. – via della Libertà 5-12 – 30175 Marghera (VE) (Italy)	Design and yard direction of the final cover of two restoration yards (industrial waste disposals)
2000		
January 2000 - August 2000	Bonifica S.p.a., Roma, (Italy)	Advice to the Environment Impact Assessment for an Highway design in the Northern Italy
January 1999 - october 2000	Amministrazione Comunale di Venezia - Assessorato ai Lavori Pubblici - Ca' Farsetti - S.Marco, 4136 Venezia (Italy)	Advice to the MasterPlan of the Certosa Isle Park (Venice): Landscape Ecology and Environmental Reclaiming problems
July 2000 - October 2000	Amministrazione Comunale di Venezia - Assessorato ai Lavori Pubblici - Ca' Farsetti - S.Marco, 4136 Venezia (Italy)	Advice for the landscape scale introduction and the noise control by means of vegetation noise-abating barriers of the Ventian Public Kennel
1999		
Decembre 1998 - September 1999	Amministrazione Comunale di Venezia - Assessorato ai Lavori Pubblici, Assessorato Ecologia - Ca' Farsetti - S.Marco, 4136 Venezia (Italy)	Advice for the new MasterPlan of the Venice Lagoon: Landscape Ecology and Environmental Reclaiming problems
June 1999 - September 1999	Consorzio Venezia Nuova S. Marco, 3980 Venezia (VE) (Italy)	Vegetation landscape analysis of the Venice Lagoon Islands
April 1994 - February 1999	Amministrazione Comunale di Venezia - Assessorato all'Ecologia Ca' Farsetti - S.Marco, 4136 Venezia (VE) (Italy)	Multi year field research on (i) hedgerows control on non point source pollution (leaching and run off); (ii) controlled agronomic use of liquid manure (DAFNE 1.2.)
December 1998 - September 1999	Ecomed Srl, Roma Roma (Italy) on behalf of: Amministrazione Comunale di Roma - Assessorato all'Ecologia - Ufficio Tutela Ambiente, (Italy)	"Progetto siepi©": landscape amelioration plan based on the (re)introduction of agroforestry ecological networks in a rural or suburban landscape. Project area in the Tevere Park.
1998		
September 1997 - February 1998	Amministrazione Comunale di Martellago - Assessorato Urbanistica - P.zza della vittoria - 30030 Martellago (VE) (Italy)	"Progetto siepi©": landscape amelioration plan based on the (re)introduction of agroforestry ecological networks in a rural or suburban landscape. First planning area.
February 1998 - March 1998	AMBIENTE (Italy) Srl- via Carlo Poerio 39 20129 MILANO (MI) (Italy)	Advice for the new Urban and Landscape MasterPlan of the Vercelli County: ecological network and agroforestry
April 1998 - June 1998	GEONOVA Srl Treviso (TV)- Studio Tecnico Dr. Ezio Faraon Mestre (VE) (Italy)	Final cover and restoration design (phase one) for an urban waste disposal landfill
Septemnbner 1994 - August 1998	Amministrazione Comunale di Venezia - Assessorato all'Ecologia Ca' Farsetti - S.Marco, 4136 Venezia (VE) (Italy)	"Progetto siepi©": landscape amelioration plan based on the (re)introduction of agroforestry ecological networks in a rural or suburban landscape. Four planning phases.
1997		
February 1997 - May 1997	Amministrazione Comunale di Mira - Assessorato Urbanistica - P.zza VII Martiri - 30034 Mira (VE) (Italy)	"Progetto siepi©": landscape amelioration plan based on the (re)introduction of agroforestry ecological networks in a rural or suburban landscape.
February 1997 - July 1997	Amministrazione Comunale di Mira - Assessorato Urbanistica - P.zza VII Martiri - 30034 Mira (VE) (Italy)	Urban Green Management Plan: phase one
January 1997 - November 1997	Consorzio Venezia Nuova S. Marco, 3980 Venezia (VE) (Italy)	Ecological Impact assessment of the controlled harvest of <i>A. littoralis</i> (for its utilisation in a dune restoration project) in a protected area (Ca'Roman, Venezia, Italy).
May 1997 - Novembre 1997	Amministrazione Comunale di Mirano- Assessorato Urbanistica - P.zza Martiri della libertà - 30035 Mirano (VE) (Italy)	"Progetto siepi©": landscape amelioration plan based on the (re)introduction of agroforestry ecological networks in a rural or suburban landscape.
September 1995 - April 1997	Amministrazione Comunale di Venezia - Assessorato all'Ecologia Ca' Farsetti - S.Marco, 4136 Venezia (VE) (Italy)	Landscape restoration and amelioration design of an industrial wasted area (Malcontenta) of the Venice Municipality.
1996		
September 1995 - January 1996	Amministrazione Comunale di Venezia - Assessorato all'Ecologia Ca' Farsetti - S.Marco, 4136 Venezia (Italy)	Design of a Rural Park
December 1995 - March 1996	Amministrazione Comunale di Dolo - Assessorato Ecologia - via Cairoli 39 - 30031 Dolo (VE) (Italy)	Design of a public green space
May 1996 - June	Consorzio InterUniversitario nazionale la chimica per l'ambiente	Spatial-temporal analysis of biotic and abiotic dataset from the

1996	via Torino 155 30173 Mestre (VE) Italy	environmental monitoring of the Venice Lagoon
February 1996 - July 1996	Amministrazione Comunale di Vigonovo- Assessorato Urbanistica - via Veneto 2 - 30030 Vigonovo (PD) (Italy)	"Progetto siepi@": landscape amelioration plan based on the (re)introduction of agroforestry ecological networks in a rural or suburban landscape.
May 1996 - July 1996	Amministrazione Comunale di Campolongo- Assessorato Urbanistica - via Cairoli 39 - 30031 Campolongo (VE) (Italy)	"Progetto siepi@": landscape amelioration plan based on the (re)introduction of agroforestry ecological networks in a rural or suburban landscape.
July	SE:VEN S.n.c. Z.I. Va strada, 9 30030 Fossò (VE) (Italy)	Environment Capability Assessment for a reconstruction of a waste stoking plant.
September	Amministrazione Comunale di S:Dona di Piave - Studio Tecnico Dr. Ezio Faraon Mestre (VE) (Italy)	GIS tool for a Urban Waste Disposing Plan
1995		
February 1995 - March 1995	PROTECNO S.r.l Padova (PD) (Italy)	Simulation of macroalgal blooms in the Venice Lagoon.
February 1995 - July 1995	Amministrazione Comunale di Dolo - via Cairoli 39 - 30031 Dolo (VE) (Italy)	"Progetto siepi@": landscape amelioration plan based on the (re)introduction of agroforestry ecological networks in a rural or suburban landscape.
February 1995 - September 1995	Amministrazione Comunale di Dolo - via Cairoli 39 - 30031 Dolo (VE) (Italy)	Urban Green Management Plan: phase one
November	Villa Corfù Srl - Villa Paradiso Srl S.Marco 1812 Lido di Venezia - (Italy)	Design of a private garden
November	Consorzio Venezia Nuova S. Marco, 3980 Venezia (VE) - Immobiliare Corner S.r.l. 35137 Padova (PD) (Italy)	Study of localisation and characteristics of constructed wetlands for Venice Lagoon eutrophication
December	A.M.A.V. Venezia - (Italy)	Landscape insertion of an Urban Waste stoking Plant (Cavallino Island, Venice, Italy).
1994		
March 1994 - July 1994	Amministrazione Comunale di Locate di Triulzi - Settore Pianificazione e gestione del Territorio P.zza Gramsci, 2 20083 Milano (MI) (Italy)	Landscape and soil analyses and implementation of a GIS for optimum agronomic manure utilisation, by mean of DAFNE 1.2. software.
March 1994 - June 1994	Amministrazione Comunale di Locate di Triulzi - Settore Pianificazione e gestione del Territorio P.zza Gramsci, 2 20083 Milano (MI) (Italy)	Urban Green Management Plan
1993		
October 1992 - February 1993	FISIA S.p.a. Gruppo Fiat Impresit via Acqui, 86 - Cascine Vica 10090 Torino (TO) (Italy)	Assessment of the effectiveness operational intervention for the safeguard of the Venice Lagoon (algal blooms control). Definition of a risk index and a statistical forecasting model for the intervention management.
June 1993 - October 1993	Amministrazione Comunale di Venezia - Assessorato all'Ecologia Ca' Farsetti - S.Marco, 4136 Venezia (VE) (Italy)	G.I.S. tool for the liquid manure use on agricultural land by means of DAFNE 1
March 1993 - May 1993	Università degli studi di Venezia - Dipartimento di Chimica Fisica Calle larga S.Marta, 2137 30123 Venezia (VE) (Italy)	Research on the tidal diffusivity tensors of the central part of the Venice Lagoon
December	E.S.A.V. Agenzia Servizi e sviluppo S. Croce, 1187 30125 Venezia (VE) (Italy)	Training course on landscape reclaiming
December 1992	CIPA AT Agriveneto via Rizzardi 26, Marghera (VE) Italy	Selling of DAFNE 1 software
January 1992 - July 1992	Amministrazione Comunale di Venezia - Assessorato all'Ecologia Ca' Farsetti - S.Marco, 4136 30124 Venezia (VE) (Italy)	Overall ecologic and economic impact evaluation of the liquid manure land disposal in the Venetian county.
April 1992 - June 1992	CELO S.r.l. via Bastiette, 23 - 30030 Mira (Italy)	Landscape integration of a compost plant
1991		
January	Azienda Regionale Foreste del Veneto, via Torino, 10 - 30172 Mestre (VE) ITALIA	Managed urban green analyses and assessment
November 1990 - March 1991	Consorzio di Bonifica Valli Grandi e Medio Veronese, via Meucci Zai, 15 - 37048 S.Pietro di Legnago (VR) (Italy)	Water quality analyses of the land reclamation and drainage Authority for the implementation of the Authority landscape management plan
April 1991 - July 1991	Università degli studi di Venezia - Dipartimento di Chimica Fisica, Calle larga S.Marta, 2137 - 30123 Venezia (VE) (Italy)	Eco-statistical analyses of the Ulva rigida populations field data of the Venice Lagoon for the implementation of a algal blooms managing model
July 1991 - September 1991	Consorzio Venezia Nuova S. Marco, 3980 - Venezia (VE) (Italy)	Preliminary valuation of the statistical quality of an environmental monitoring dataset and design of the data analysis
1990		
October 1989 - January 1990	Università degli Studi di Padova - Istituto di Entomologia via Gradenigo, 6 - 35131 Padova (PD) (Italy)	Second filed surveys and data analyses for the implementation of a statistical model on the on intra-specific and inter-specific competition of three Elm bark beetles
January 1990 - July 1990	Consorzio di Bonifica Valli Grandi e Medio Veronese via Meucci Zai, 15 - 37048 S.Pietro di Legnago (VR) (Italy)	Landscape natural resource analyses for the localization and the definition of conservation measures of the high nature values areas
February 1990 - August 1990	Università degli studi di Venezia - Dipartimento di Chimica Fisica - 30123 Venezia (VE) (Italy)	Review of the relationship between macroalgal communities and sediments in environments comparable with the Venice Lagoon
May 1990 - September 1990	Consorzio di Bonifica Valli Grandi e Medio Veronese via Meucci Zai, 15 - 37048 S.Pietro di Legnago (VR) (Italy)	Land use capability classification for the implementation of the Authority landscape management plan
July 1990 - November 1990	Consorzio di Bonifica Delta Po Adige via Pordenone, 6 - 45019 Taglio di Po (RO) (Italy)	Landscape natural resource analyses for the localization and the definition of conservation measures of the high nature values areas.
1989		
March 1989 - September 1989	Università degli Studi di Padova - Istituto di Entomologia via Gradenigo, 6 - 35131 Padova (PD) (Italy)	Filed surveys and data analyses for the implementation of a first statistical model on the intra-specific and inter-specific competition of three Elm bark beetles
July 1989 - October 1989	Università degli studi di Venezia - Dipartimento di Chimica Fisica - 30123 Venezia (VE) (Italy)	Data mining for the evaluation of nutrient input in the Venice Lagoon by means of a trophic-diffusive model
